

From the **PRESIDENT**

April 29, 2025

Dear TCU Faculty and Staff,

As the 2024-2025 academic year comes to a close, I want to applaud you for all the incredible accomplishments Texas Christian University has achieved this year. Ultimately, the success of our students is our greatest aspiration. I look forward to joining many of you, Trustees and Chancellor Boschini at the upcoming [Commencement](#) ceremonies, where we will celebrate student success for the largest class in TCU history. It is a joy like none other to witness Horned Frogs and their families and loved ones celebrate the achievement of earning a college degree.

The TCU student experience is unrivaled, and this is because of the care you pour into our Horned Frogs. As we grow our impact through the [LEAD ON: Values in Action™](#) strategic plan, thank you for continuing to live our TCU values and for your ongoing commitment to our students. You can read the latest strategic plan updates in the [Values in Action blog](#). With changes happening all around us and beyond, our community continues to lean into our values of integrity, community, engagement and excellence as we innovate and advance our mission. All of this is worth celebrating, and we have two upcoming opportunities to do so. Please continue reading for details. I look forward to seeing everyone at both events.

Finally, thank you for your tireless efforts in making TCU a world-class, sought-after university where Horned Frogs thrive. Let's finish the semester strong.

Go Frogs!

Daniel W. Pullin
